

Digital Active DVB-T/T2 Outdoor Antenna

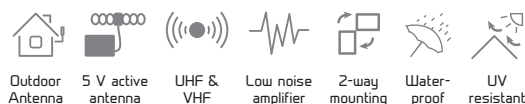

SRT ANT 45

Accessories included in the packaging:

- Multi-directional base for wall mounting installation (flexible)
- Pole mounting kit
- 3 m coaxial (RF) cable F male to IEC male
- External power adapter 230 V AC in, 12 V/250 mA DC out
- User manual

- Designed for outdoor reception of DVB-T/T2 signals
- Compatible with DVB-T/T2 receivers supporting active antenna output (5 V)
- Enhanced technology and ecological housing material
- Built-in FM trap and LTE filter for better reception
- Amplifier for optimum signal strength and performance
- Built-in low noise amplifier technology
- Low power consumption with included external power supply
- Built-in FM trap filter and UHF/VHF filter for better reception
- Housing is UV protected and weather-proof sealed
- Water-proof housing and connection
- Quick & easy installation
- Versatile mounting either on wall, balcony or pole outside the house

**Built-in
LTE filter**

Technical Data

Frequency range: VHF 174 ~ 230 MHz,
UHF 470 ~ 790 MHz, with LTE filtering
Gain: 20 dB for VHF/16 dB for UHF
Power supply via DVB-T/T2 receiver: 5 V/40 mA via
RF port of the receiver or via external power supply:
AC/DC adapter 12 V DC/250 mA with power injector

General data

Size (W x D x H) in mm: 110 x 65.2 x 201.6
Weight: 0.77 kg

SRT ANT 45 EAN: 8717185447408
